Taking a little time off!

See you on July 21st for the next packing party. Let's send everyone some homemade cookies. Please no chocolate as they will melt, (brownies are ok). Bag cookies in quart baggies. Maybe 6-10 in each bag, depending upon size. Bring them to the dealership on the 21st or contact me prior to pick up before event.

Ride Safe and have fun!

Jan's thought of the month!

Give life something unexpected, something extra. The payback will greatly surprise you. Kindness and courage are great companions.,

Hi Jan

Hope all is well with everyone there. Just wanted to let you know and to thank you for sending the care package to Lynne. She received it the other day and is enjoying it. Thanks again to you and all involved for your thoughtfulness and care.

Jerry

Dear Jan,

Thank you again for your generous care packages. I truly appreciate your kindness in providing each and every one of us our own individual care packages. We are eating a lot of hickory-smoked sausage with crackers and enjoying every minute of it. I will be returning home in early August and would like to thank you in person for your outreach. Please let me know if you would be amenable to that.

Take care, God Bless, and thank you so much,
Steve

Jan,

We just left Brisbane Australia where we spent three days of liberty while picking up some Australian forces. I got to visit one of Brisbane's Harley dealerships, Morgan and Wacker, where I met their H.O.G. chapter Director John and L.O.H. President Joanne. Joanne even gave me one of her Brisbane HOG pins. Thanks for the care packages. We hadn't received mail in just under a month and the guys were real happy. Now we are all trying to stump the 20 questions game. As for my return I'll definitely keep you posted. This time I'll get to treat you guys to Uno's. Miss you guys,

John E__

Jan,

I recently received one of your care packages. Thank you very much, I really appreciated it and we got lots of good stuff.

Fortunately, I have a wife and lots of family who will send me care packages as well, so please take me off your list so that your resources can go to those who don't have relatives sending them things.

Thanks again for your support and keep up the good work!

Jan,

I wanted to tell you how great it was to receive the care package!!! It was like Christmas in the office that day! I really appreciate you and your group taking the time to send us these!!!

The summer sausage was a real hit.....we put one out a week (on Fridays....the day we have a 1/2 day off). It is a real treat.

The hand held games were also great ... people are still walking around playing them.

I personally liked the magazine ... I had not read a magazine, just for fun, in a very long time. All of the guys gave me a hard time, but I really enjoyed it. I know secretly they were just jealous :)

Anyway, thanks again and God Bless!!!
